

Mindline TRANS

Open Monday & Friday 8pm-midnight

0300 330 5468

MindLine Trans+ is a UK wide service
We offer a confidential, non-judgemental listening
space for people who identify as Trans+,
non-binary and their friends and families to talk.

Our trained listeners identify as Trans, non-binary
or gender fluid, they are understanding and will
listen and offer support

Occasionally Cisgender allies also take calls.

We can also provide signposting and information.
