*Poetry which depicts the personal thoughts and/or feelings of the writer

Deep in thought

Alone this morning
Deep in thought
After the yawning
Came to an end.

I lay here day dreaming
Pondering life
No sun beaming
Through my windows.

I dream of the past present and future
I dream my dreams
I dream of the structure
That I once had.

I think of the world
And the way it is now
Changing forever
Crisis bringing us together.

I think of myself
I think of others
I think of the way
The world can be another.
