

Employment Support Dartford, Gravesham & Swanley Areas

Looking for work, we could help with Individual Placement Support. We offer weekly support with job searching, CVs, mock interviews, dealing with interview anxieties and identifying suitable opportunities, providing tools to move forward in competitive employment. We also offer workshops which meet at various venues in the Gravesend, Dartford and Medway areas. The workshop supports people in overcoming barriers to work. It is modular in content and covers soft skills such as Communication, Teamwork, Interviewing Techniques, Problem Solving and Goal Setting.
