

Equity, Diversity and Inclusion Steering Group

Have you experienced mental health challenges?

Have you faced obstacles accessing support due to race or
ethnicity?

Do you want to enhance diversity in mental health services?

One of North Kent Mind's aims is to diversify the organisation by including individuals from non-white British backgrounds to shape and influence their services.

We are interested in hearing from individuals, especially those from Black, Asian, or Sikh backgrounds, to join our

Equity, Diversity and Inclusion Steering Group

As a thank you, our EDI Community Champions will receive a £25 Love2shop voucher for every steering group they attend, and travel expenses will be covered.

To express your interest or for more information please either
